Morning Josh and Carrie,
Following up from last Thursday's discussion I reached out to SMW and they are available to meet after 10:00 am this Thursday. Let me know if 11:00 am would work as new business following the progressmeewting. Nest.

Afternoon Josh,
Apologies on not forwarding this to you last week but please find the enclosed IT program report from SMW. Now that we have finalized directions on the functionality related to the AV, I think we should plan to schedule a call and/or meeting to review the IT POR and budget information fairly soon. If you would propose availability on your end we can coordinate with Peter Charland.
